Make a Beados Birthday Card

You will need:

- A piece of A5 white cardboard
- Some coloured textas/pencils or crayons
- A made up, dry Beados design of your choice
- Craft glue

Instructions:

1. Fold the card in half
2. Write a Happy Birthday message with your coloured textas on the top of the outside page
3. Take your Beados design and put the glue on the back of it
4. Place your design on the front cover of the card where you want it and push down
5. Wait for the glue to dry and then write your Happy Birthday message on the inside!
